Dear KIPP Jacksonville Families,

We hope this letter finds you safe and healthy during an unprecedented school year.

As you may be aware, the US Department of Education has announced that all states must administer state-wide assessments this school year. In Florida, the FLDOE is requiring that all students come in person to take the Florida Standards Assessment (FSA). This applies to students in grades 3-8 who are attending in person and virtually.

The first week of testing occurs in April on the following dates:

April 13th: 4th, 5th, and 6th Grade Writing Assessment

April 14th: 3rd Grade ELA Assessment Session 1

April 15th: 3rd Grade ELA Assessment Session 2 and 7th and 8th Grade Writing Assessment

**3rd graders must be present for both Session 1 and Session 2*

There are additional tests administered in May, and those dates will be released soon. We will also be in communication with families after Spring Break to provide specific details about testing days, and to address any questions you may have.

Thank you for your continued partnership!
