# OVERVIEW

The Duval County Public School District Local Educational Agency (LEA) can only receive Title I, Part A funds if it conducts outreach to all parents and family members and implements programs, activities, and procedures for the involvement of parents and families consistent with Section 1116 of the Elementary and Secondary Education Act (ESEA) as amended by the Every Student Succeeds Act (ESSA) of 1965. The programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children.

School level plans are required to be developed with the input of parents and families to improve student achievement and performance. The planning process can also include meaningful consultation with employers, business leaders, and philanthropic organizations. This template will assist schools with the best practices aligned to federal, state, and local expectations for compliance.

Below is an approach that can be used for Parent and Family Engagement.

*“Treat children like they make a difference and they will.”*

# NEEDS ASSESSMENT

The Needs Assessment is the foundation of the Parent and Family Engagement plan. When meeting with parents and stakeholders, data from the needs assessment process provides previous year and trend data that can be used to make decisions about plan implementation for the upcoming year. That way decisions are not arbitrary but data-driven and purposeful.

## Previous Year Financial and Programmatic Outcomes

### Fiscal Overview from the Previous Fiscal Year (this section is not required for new Title I Schools)

Total Parent and Family Allocation from the Previous Year	Total Funds Expended	Total Funds Remaining
\$2549	\$1200	\$1349
If funds remained at the end of the year, explain why funds weren't fully expended and how parents will be engaged to plan for funds to be fully expended during the current plan year		
The funds remained at the end of the 20-21 school year due to not hosting activities in the school building due to the global pandemic. We had hoped to schedule activities to occur in Spring 2021 but were unable to host during the pandemic in order to adhere to safety guidelines provided by the state.		
Parents will be included in meetings this year to ensure funds are fully expended.		

### Programmatic Overview from the Previous Fiscal Year (this section is not required for new Title I Schools)

Summative Overview of the Parent Resource Room		
Total Visits to the Parent Resource Room (Must be documented on the Resource Room Sign in Sheet)	Total Resources Checked Out from the Parent Resource Room	What plans do you have to fully use the Title I Parent Resource Room? (include inventory that was not returned or any other information pertaining to parent involvement resource room)
2	0	This is an area of focus for this year. We plan on providing parent information and flyers through monthly newsletters sent home. The parent resource room is located near the main office. Unfortunately, it has had limited access to due to limitations on parent access in the building.
Summary of Parent Engagement Events from the Previous Year		
Name of Activity	Number of Participants (this number should equal the number of participants listed on sign in sheets in Digital Compliance)	Results of Evidence of Effectiveness (How do you know the parents learned what the activity was intended to provide? Responses such as sign-in sheets or survey results are not sufficient.)

Annual Meeting (Beginning of Year)	3	Parents appreciated Possip and the ability to give feedback on a weekly basis.
Developmental Meeting (End of Year)	4	Streamline of communication; we moved activities from Wednesday to Tuesday or Thursday.
Math and Literacy Night	30	Parent feedback from Possip about the program was positive—they appreciated the make and take activities.
Career Day	7	Parents were able to discuss a variety of career choices with students.
FSA Night	50	Parents had follow up questions and wanted to submit work to school.

*Schools may add additional lines as it is aligned to the Parent and Family Engagement Plan from the previous fiscal year - activities must match activities included on the Parent and Family Engagement Plan from the previous school year. If an activity wasn't held, a 0 should be included for the "Number of Participants" column with an explanation why the event wasn't held in the "Results" column.*

**Summary of the evaluation information and parent feedback collected from the Developmental Meeting held to support the development of this Parent and Family Engagement Plan.**

We were able to streamline communication for parents and we moved parent events from Wednesday to a Thursday or Tuesday.

**Barriers**

Using previous year financial and programmatic outcomes; district and school climate data; parent perception data; data from SAC meetings; parent attendance data; observational data; parent survey data; data from the Title I Developmental meeting; parent interviews and focus groups; teacher and administrator feedback; other forms of needs assessment data; and carry out a needs assessment process. Then, describe the barriers that hindered the participation and involvement of parents and family members during previous school years.

1. Student Attrition
2. Teacher Attrition
3. Distance/Transportation
4. Families with multiple students at different schools at KIPP

<p>(1) Prioritize the <b>TOP THREE the barriers</b> (it may be possible to combine some)</p> <p>(2) Describe the steps that will be taken during the upcoming school year to overcome the parent and family engagement barriers (required - include how the school will overcome barriers for students with family members who have limited English proficiency, parents and family members with disabilities, and parents and family members who are migrants in accordance to ESSA Section 1116 (f)).</p>		
	Barrier	Steps or strategies that will be implemented to eliminate or reduce the barrier
1)	Possip	Weekly Wednesday Folders, weekly feedback from parents
2)	Office Hours	Set schedule of when teachers are available to parents/families each quarter
3)	Enrollment	Kept families together at one school when possible (siblings in same school in multiple grades)

### Overarching Outcomes/Goals for the Current School Year

Considering your barriers and the strategies that are intended to reduce or eliminate them, what are the overarching outcomes/goals for the current school year for parent and family engagement?

The goal for parent and family engagement is to ensure that parents and families can have engagement/involvement within our schools and that families are happy with their student's educational experience. We want parents to report via Possip survey that they are 80-90% satisfied with the school experience. We are committed to reaching out to parents directly about any concerns and providing virtual office hours and progress reports to families using a virtual and/or hard copy option.

# COMMUNICATION AND ACCESSIBILITY

Communication is an extension of Needs Assessment as trend data has shown that parents comment that communication processes should be improved so they are fully engaged.

## Accessibility

Describe how the school will provide full opportunities for all parents and families (keeping in mind the diverse makeup of 21<sup>st</sup> Century families) to participate in all parent and family engagement activities. This includes strategies for parents who have specific needs such as parents with special transportation needs, parents who work multiple jobs, court appointed parents, parents who are disabled, parents who speak English as a second language, migrant parents, parents with multiple children in multiple schools, guardians, guardians with multiple students in a home, etc. Specifically, how will barriers be removed to ensure parents/guardians/family units are a part of their child's education?

We communicate both electronically and hard copy, send presentations electronically, host a region-wide BBQ, and provide one-pagers of when school is closed for students to encourage parents to schedule appointments on the days students are not in school.

Additionally, we are providing virtual options for students to attend information sessions, as well as sending newsletters using ClassDojo and FlyerConnect. We send both email and text messages that include information about resources for students.

Describe how the school will share information related to school and parent and family programs, meetings, school reports, and other activities in an understandable, uniform format and in languages that the parents and families can understand?

KIPP Jacksonville Schools will create a calendar of monthly parent meetings to get input on how we can utilize funds and engage our families.

This meeting should evaluate how well barriers were reduced or eliminated and celebrate the successes of the year.

This includes activities and strategies for parents to understand challenging State academic standards; State and local assessments; how to monitor their child's progress and work; literacy training; how to use technology; and other strategies of how parents can assist their child with the learning process. All funds expended under this section should align to this section and to achieving the goals in the Title I Schoolwide plan by engaging parents and families. [ESEA Section 1116 (e)]

## BUILDING THE CAPACITY OF PARENTS AND FAMILY MEMBERS

**Reflecting on the needs assessment process, what is an overview of how the school will implement activities that will build the capacity for meaningful parent and family engagement?**

When reflecting on what was successful last year in the execution of our family events, we realized that we increased participation when we aligned to student events. This year we plan to vary the days of the week and times during the day when we host family events.

**How will the school implement activities that will build relationship with the community to improve student achievement?**

Our school counselor has worked to compile a list of community resources and partnerships with the local library and FSCJ to provide information to parents about events sponsored throughout the community. The resources from the community are available in our parent resource room.

 (3) Teachers are provided with information about what is housed in the parent resource room to encourage parents to borrow the materials they need.

**If there are additional ways resources are provided for parents through the use of Title I, Part A funds, how are they provided and what trainings are provided to adequately prepare parents to use the resources and materials at home with their children?**

We have included events centered around parents being able to learn from a student perspective. Parents are provided information and resources on how to support students at home during extended breaks. Some of the resources we will provide are FSA study materials and host parent and student session that provide parents with information about how best to support students using data.

Parents are invited to attend monthly field-based learning events with their students as well as parent nights that include opportunities to provide feedback, collaboration, and support from staff. Monthly newsletters are provided to families that include information about resources provided to improve student learning.

## PARENT AND FAMILY ENGAGEMENT EVENTS

If Parent and Family Engagement events are funded with Title I, Part A funds, they must be supplemental and cannot supplant activities that are funded with state and local funds. Additionally, events should contribute to the achievement of goals outlined in the Title I Schoolwide Plan.

The LEA shall ensure that all instructional staff working in schools, funded wholly or in part with Title I, Part A, meet the statutory requirements of being state certified. The LEA must ensure instructional paraprofessionals work under the direct supervision of a teacher.

If the LEA hires teachers or paraprofessionals to provide Title I services to private school students, the LEA shall ensure the teachers are state certified and paraprofessionals are highly qualified. The LEA shall ensure that paraprofessionals providing direct instruction to participating students are under the direct supervision and in close and frequent proximity to a state-certified public school teacher.
